**SKETCH DETAILS**

For sketches of the couple outside the wedding venue, please provide some photographs of-

- The venue\*
- The couple - together is helpful - as well as close ups and full height.

(\*No need to provide photos of the venue if you wish to use one of Hayley's location sketches already drawn.)

NB. When choosing / taking photos it's useful if you 'look' as you wish to be drawn, eg. if you wear glasses but don't want to be wearing them in the drawing, please remove them, and brides if you would like your hair drawn up, a photo of you with it tied back is helpful.

Photos can be emailed or posted, whichever you prefer - [hayley@angelkincards.co.uk](mailto:hayley@angelkincards.co.uk)

and it's really useful if you could tell me...

**MALE**

If you have a photo in his chosen outfit that is great too!

(PS. If you prefer not to give away the exact dress style, that's fine too! Why not have a look on my website or facebook pages for lots of lovely dresses, you can always choose one you like and I can draw something similar.)
